

PORT OF KIEL

WE WANT YOU: CIVIL ENGINEER

We offer you exciting and varied construction projects in our port areas and at Airport Kiel - therefore we are looking for you to permanently strengthen our technical team as a civil engineer from 01/07/2024 or earlier.

YOUR KEY TASKS

- Planning, tendering and construction management of construction and demolition measures in the fields of structural, civil engineering and hydraulic engineering
- Budgeting of maintenance and new construction measures and preparation of cost calculations
- Awarding construction contracts for the various trades, including digital publication with the DA
- Monitoring and controlling the construction work of the commissioned construction companies as well as independent measurement control and final acceptance of the work
- Conducting construction meetings as well as contract and supplementary negotiations
- Purchasing materials and technical services, order negotiations and invoice control
- Documentation and archiving of technical documents
- Processing and supporting official approval procedures as an applicant

YOU HAVE

- A successfully completed degree in civil engineering (Dipl.-Ing. / B.Eng. / B.SC) as well as professional experience; previous craft training is ideally available
- You are in possession of a class B driving licence
- You have excellent PC skills with confident use of MS Office, tendering, drawing and scheduling programmes
- You are characterised by a high level of motivation and negotiation skills as well as the ability to integrate into existing structures and processes
- You are committed and enjoy working in a team
- An open-minded, communicative and engaging manner towards colleagues, as a client in front of companies and towards authorities round off your profile

WE OFFER

- Permanent, full-time position in modern offices at the Schwedenkai terminal with ergonomic workstations, up-to-date IT equipment and your own Surface and company mobile phone
- Personal and professional development opportunities for long-term employee retention
- Personal scope for organisation and decision-making
- Corporate Health Management with various team events and sporting events
- Open and fair cooperation in a motivated team

CONTACT

We look forward to receiving your application documents, stating your earliest possible starting date and salary expectations, by e-mail to personal@portofkiel.com.
